

the best protection is prevention

When a chocolate product is either defective or potentially harmful, having to recall that product or correcting the problem is the most expensive way of protecting the consumer.

- THE BEST WAY TO PROTECT THE PUBLIC IS PREVENTION
- DON'T LET A SMALL PIECE OF PLASTIC DESTROY YOUR PRODUCT, YOUR BRAND OR EVEN YOUR COMPANY
- KEEP YOUR PRODUCT FREE FROM CONTAMINATION

Use by vormenfabriek tilburg **Vofax**[®]
X- Ray detectable polycarbonate.
